

Curriculum Vitae of a faculty member

1. Personal information

Name	Hanan Haqi Ismail Abd Alkheyat
Academic Degree	Msc. in Environmental Engineering
Job Title	Coordinator of Student affairs
General Major	
Mobil No.	009647736976802
Email address	Hanan_eng2014@uomosul.edu.iq
Website	https://classroom.google.com/c/MjI3NjM0MDI0NTRa

2. Qualifications

Degree	Date of Graduation	Name of university	Country	Major
Doctorate				
Master	2010	Mosul University	Iraq	Environmental Engineering
Bachelor	1991	Mosul University	Iraq	Civil Engineering

3. Experiences

Employment	Job Title	Period
Engineer	Civil Engineering Dept.	1994-2011
Assistant Lecturer	Environmental Engineering Dept.	2010-2015
Lecturer	Environmental Engineering Dept.	2015- now

4. Researches & Scientific activities

1	The effect of using selective anaerobic basins on removal efficiency of contiouse flow activated sludge systems
2	Evaluation performance of al-yarmook wastewater treatment plant in Mosul city
3	Study performance of using plants in sanitary wastewater treatment
4	The effect of Alum on removal efficiency of biological treatment for Phosphate removal from wastewater
5	The Efficiency of the ichhornia crassipes solms in the absorption contamination water before discharge in the Tigris river
6	Symposium on solid waste in Mosul city
7	Symposium on environmental pollution and its effect on life
8	Symposium on environmental pollution and the role of environmental engineering
9	Symposium on environmental status in Mosul city
10	Symposium about Sulphur's water in Nineveh government

Books

5. Scientific Conferences

	Conference Name	Date
1	The 3 rd Environmental conference for Iraqi universities' students / Suleymanya university	2009
2	Urban planning challenges in Iraq /Duhok University	2010
3	The 1 st International conference for water resources engineering and technologies in Iraq /University of Technology/ Baghdad	2012
4	The 2 nd Scientific engineering conference for engineering college /Mosul University	2013
5	The 2 nd International conference on engineering and human development in Istanbul	2016
6	Periodical scientific conference on water reality and development achieving of Iraq needs	2018
7	National conference on water raising and community awareness as moral national duty	2018

6. Training courses for faculty members .

	Training program name	Date
1	Academic Teaching methodology	2010
2	Academic Teaching methodology	2012
3	Arabic language	2018
4	Computer software	2013

- Master's and Doctoral theses which he supervised

	Researcher name	Thesis title	Reg. date
1	None	None	None

- Theses which he discussed

	Researcher name	Thesis title	date
1	Alaa Meqdad	Design of solid waste leachate for transfer station in Mosul City	2018
