

Biographical and scientific biography

((Curriculum Vitae))

Name and Title: Luma Akram Saad Eddin Marei Al Nuaimi

Current scientific rank and date of obtaining it: Lecturer on 23 -11-2018.

due date 5-3-2014.

Place of work: University of Mosul / College of Basic Education / Department of Mathematics.

Marital status: Number of children: (). Gender: Female Blood type: B + Single

Place of Birth: Mosul, 1977

Nationality: Iraqi

Current Housing Address: Mosul - Municipalities District

Email: LumaALnuaimi16@gmail.com

Scientific Biography

First: Academic Qualifications:

Degree Certificate Year of Graduation University Country

Bachelor of Education, Mosul University, Iraq 2001

College of Education, Mosul University, Iraq 2007

PhD

Second: Academic and Teaching Experience:

Teaching Subject (Specialized Teaching Methods / Mathematical Thinking / Basic Education /
Measurement and Evaluation / Statistics Advanced)

Practical Education / Computers)

• Scientific Participations:

- Certificate of participation (session (1) course in (Arabic language safety) for the period (8-15 \ 4 \ 2018)

- Certificate of participation on 16/4/2018.

- = Participation in 10/1/2018

- = = On 7/3/2018

- = = On 11/4/2018

- = = On 23/4/2018

- = (10-11) \ 4 \ 2019.

- Participation in the work of the third international scientific conference of the two faculties of basic education held in the city of Dohuk for the period (10-11 / April / 2019 under the slogan (the integration of science towards the achievement of education goals).

- Participation on 10/11/2018.

- = = On 31/3/2019.

- = = On 28/11/2018.

- 30/12/2018.

- = 26/12/2018

- = 17/12/2018

- = 28/2/2018.

Third: Administrative Experience:

1-

2.

Fourth: Scientific Research (published and unpublished).

- Single research (methods of classroom management for teachers of mathematics teachers) published in the proceedings of the Third International Scientific Conference) of the faculties of basic education and the place in the city of Dohuk. (Solo) for 2019.

Fifth: Books published and under publication

()

Sixth: Scientific and Administrative Committees \ Continuing Education Committee 2018-2019.

Seminar Committee \ Seminar Sub-Committee of the Department of Mathematics for the academic year 2018-2019.

Extension Committee \ Formation of sub-committees in the Department of Mathematics \ Stage IV.

Seventh: Development Courses

- Participation in the course (leadership and university management strategically) for 2018 in Egypt.

- Participation in joint work programs with the University of TU Dortmund, Germany, University of Duhok for the period 16-21 / 12/2018. Responsible with the fourth students of the Department of Mathematics.

- Hey.

Eighth: thanks and appreciation: many books of thanks ().

- On 23/1/2018.

- = 6/3/2018.

- = 5/12/2018.

- = 31/12/2018.

- = 2/7 2019.

He received many books of thanks and appreciation for his activities in the college and from different quarters.

Received an international certificate from the British Academy HRD ACADEMY for the year 2018.

Form committees

- Electronic lectures in mathematical thinking for the third phase electronically in the first semester of 2018/2019. On 1/9/2019.

- Formation of a guidance committee in the Department of Mathematics for the academic year 2018 - 2019 \ fourth stage. 28/10/2018.

- Shield of appreciation was received from the students of the fourth stage batch (makers of hope) for 2018-2019.
