

Oday Mohammed Salih Othman

GeoChemist

DATE / PLACE OF BIRTH

1977/08/27

IRAQ

Profile

teaching in the department of geology from 12/18/2005 until now . . Continue to teach in scientific laboratories for the following subjects :- 1- Mineralogy for the first stage/ Department of geology . 2- (metallic ores , industrial minerals and rocks , Geochemical exploration , Environmental geology and Geochemistry) for the fourth stage / Department of geology . 3- Geology for the first stage / Department of chemistry and physics

Employment History

Assistant lecturer/ Geology / College of Science / University of Mosul
December 2005 – September 2015

lecturer / Geology / College of Science / University of Mosul
September 2015 --until now

Chemical Store Coordinator at Department of geology / University of Mosul, IRAQ
January 2006 – until now

Education

Master of Science (M.Sc.) in Department of geology / University of Mosul /IRAQ
October 1999 – August 2002

Study of the Chemical ,Mineralogical and Physiomechanical Properties of Technical Plaster and Local Plaster (Juss)

Bachelor of Science (B.Sc.), Department of geology / University of Mosul /IRAQ
October 1995 – July 1999

Courses

Teaching Methods Course, University of Mosul, IRAQ
May 2013 – June 2013

Computer competency course, University of Mosul, IRAQ
September 2013

References

Assistant Professor Dr. Hiyam Abass Alhillo / Department of geology
/ University of Mosul /IRAQ

Professor Dr. Thanoun Abdul Rahman Al-Dabbagh / Department of
geology / University of Mosul /IRAQ

Lecturer Dr. Sahra Mohammed Othman/Department of geology / University
of Mosul /IRAQ

Social Profiles

ResearchGate

Skills

Wet chemical analysis

Diagnostic x-ray diffraction

Mineral Diagnostic

Languages

Arabic

English

Hobbies

Swimming
Ping pong

Conferences

The Second Geological Conference (Our Natural Resources As a Base For the development of the society 25/26 - 4 - 2012) search title " The Significance and Variation in Chemical Composition of Selected Spring and Well Water at Ninevah District and Adjacent Area /Northern Iraq".
