

# Curriculum Vitae

## **Personal information:**

**Name:** Luma Ibrahim Khalel Al-Allaf

**Gender:** Female

**Date of Birth:** 31-5-1971

**Place of Birth:** Mosul- Iraq

**Marital State:** Married

**No. of Children:** Five

**Residence:** Al-Muthanna / Mosul /Iraq

**Place of Work:** Department of Anatomy, Histology and Embryology  
College of medicine, University of Mosul, Mosul,  
Iraq.

**Address of Work:** Assistant Professor

**Language:** Arabic and English

**P.O. Box:** Department of Anatomy, College of Medicine,  
University of Mosul, Mosul, 41002, Iraq

**E- mail Address** [lumaallaf1971@yahoo.com](mailto:lumaallaf1971@yahoo.com)

**Mobile:** 009647704579573

## **Academic Degrees:**

1. PhD in Anatomy, Histology and Embryology College of Medicine, University of Mosul, Mosul, Iraq (2011-2017). Average (90%).  
(*Discussed with score: excellent. Average 90%*).

(THE HISTOLOGICAL EFFECTS OF IMATINIB DRUG ON TESTES,LIVER, AND KIDNEYS OF RATS).

The supervisor is Assistant Prof. Dr. Hafid Ali Mahmood(PhD in Anatomy ,College of Medicine, University of Mosul, Mosul, Iraq)

2. M.Sc. in Anatomy, Histology and Embryology, College of Medicine, University of Mosul, Mosul, Iraq (2000- 2002). Average (84.5%).

(HISTOLOGICAL CHANGES OF HUMAN PLACENTA IN PROLONGED PREGNANCY) .

The supervisor is Assistant Prof.Dr. Mohammed Taib Tahir Jarjees((PhD in Anatomy .India)

*(Discussed with score: very good. Average 87%).*

3. M.B.Ch.B.: College of Medicine, University of Mosul, Mosul, Iraq (1989-1995). **Average (70.5%)**. Rank 28 out of 150 undergraduate students.

### **Professional and Academic Experiences:**

#### **A. House Officer (1995- 1997)**

1. General Surgery (4 months) in Al- Zahrawy Teaching Hospital (Mosul).
2. Pediatric Surgery (1 month) in Al- Khansaa' Teaching Hospital (Mosul).
3. Pediatrics (4 months) in Al- Khansaa' Teaching Hospital (Mosul).
4. Internal Medicine (5 months) in Ibn- Sina Teaching Hospital (Mosul).
5. Obstetrics and Gynaecology (4 months) in Al- Batool Teaching Hospital (Mosul).
6. Cardiac Care Unit (1 month) in Ibn-Sina Teaching Hospital (Mosul).
7. Respiratory Care Unit (1 month) in Ibn-Sina Teaching Hospital.
8. Ophthalmology (1 month) in AL Zahrawy Teaching Hospital (Mosul)
9. Orthopedic Surgery (1 month) in AL Zahrawy Teaching Hospital (Mosul).

10. Ear, Nose, and Throat Surgery (1 month) in AL Zahrawy Teaching Hospital (Mosul)
11. Emergency Unit (1 month) in AL-Zahrawy Teaching Hospital (Mosul).

**B. Research Assistant and Demonstrator**, Department of Anatomy ,Histology and Embryology, College of Medicine, University of Mosul, Mosul, Iraq (1997- 2000).

**C. Permenancy in Obstetrics and Gynaecology** at Al-Batool Maternity Teaching Hospital (1998- 2000).

**D. M.Sc. Postgraduate Student** in Anatomy /Department of Anatomy, Histology and Embryology, College of Medicine, University of Mosul, Mosul, Iraq (2000- 2002).

**M.Sc. Thesis:**

(HISTOLOGICAL CHANGES OF HUMAN PLACENTA IN PROLONGED PREGNANCY)

*(Discussed with score: very good. Average 87%).*

**E. Assistant Lecturer**, Department of Anatomy, College of Medicine, University of Mosul, Mosul, Iraq (2002- 2007).

**F. Assistant Professor**,Department of Anatomy, College of Medicine, University of Mosul, Mosul, Iraq **(2017)**.

**F. PhD student in** Department of Anatomy, College of Medicine, University of Mosul, Mosul, Iraq(2011-2017).

**PhD Thesis:**

(THE HISTOLOGICAL EFFECTS OF IMATINIB DRUG ON TESTES,LIVER, AND KIDNEYS OF RATS).

Average (90%). *(Discussed with score: excellent. Average 90%).*

### **Educational experience:**

1. Lectures in Histology for the undergraduate student in College of Medicine, **University of Mosul**, Mosul, Iraq **(2009-till now)**.
2. Lectures in Histology for the undergraduate student in College of Medicine, **University of Ninevah** , Mosul, Iraq **(2005-2009)**.
3. Lectures in Gross Anatomy for the undergraduate student in College of Medicine, **University of Mosul** , Mosul, Iraq **(2017-2018)**.
4. Lectures in embryology for the undergraduate student in College of Medicine, **University of Mosul**, Mosul, Iraq **(2014-2018)**.
5. Lectures in Neuro-Anatomy for the undergraduate student in College of Medicine, **University of Mosul** , Mosul, Iraq **(2017-2018)**.
6. Lectures in embryology for the undergraduate student in College of Medicine, **University of Ninevah**, Mosul, Iraq **(2017-2018)**.
7. Lectures for PhD students in College of Medicine, **University of Mosul**, Mosul, Iraq **(201-2019)**.
8. Lectures for MSc students in College of Medicine, **University of Mosul**, Mosul, Iraq **(201-2019)**.

### **Directory experience:**

**Member of central examination committee, College of Medicine, University of Mosul, 2017 till January 2019.**

## **List of Publications**

1. **Al- Allaf LIK**, Jarjees MTT, Al- Nuaimy WMT. Histological Changes of Human Placenta In Prolonged Pregnancy. *J Bah Med Soci* 2008; 20(2):60-67.
2. **Al- Allaf LIK**, Jarjees MTT, Al- Nuaimy WMT. Changes of Human Placental Alkaline Phosphatase And Acid Phosphatase In Prolonged Pregnancy. *JABMS* 2009; 10(1):13-18.
3. Al-Khayatt MK, **Al-Allaf LIK**, Al-Jewary AH .A study of Histochemical Alteration of Mucin in Cases of Cholelithiasis and Gallbladder Tumors. *The Sixth Scientific conference Proceedings / Nursing College /Mosul University* .June, 2009 ,101-116.
4. **Al- Allaf LIK**, Frequency of Congenital Anatomical Uterine Abnormalities in a Group of Infertile Women in Mosul city *.Iraqi Journal of Community Medicine* . 2009; 22(4):238-246
5. **Al- Allaf LIK** .Histochemical Analysis of Placental Phosphatases In cases of Preterm Preeclampsia. *Duhok Medical Journal* 2009; 3(2) :52-66.
6. Al- Nuaimy WMT , **Al- Allaf LIK**, Alnaimi HA. Histomorphometric Study of Prostate In Mosul Province Tumors In Elderly Patients. *The Sixth Scientific conference Proceedings / Nursing College /Mosul University* .June, 2009 ,30-42.
7. Al- Nuaimy WMT , **Al- Allaf LIK**, Alnaimi HA. P53 Expression In Prostatic Cancer : An Immunohistochemical Study *.Jordanian Medical Journal* 2011; 45 (1):85- 94
8. **Al- Allaf LIK**. Histological Changes of Human Placenta of Preterm Birth. . *J Bah Med Soci*. October – December 2010 issue , (4):151-156.
9. **Al- Allaf LIK** , Al- Nuaimy WMT. Mahmood KA. Bacteria in gallbladder in laparoscopic cholecystectomy in Mosul province: a histo-microbiologic study. *J Bah Med Soci*.

**10. Al- Allaf LIK**, Al- Allaf HK, Yahia UT. Anatomical analysis of cervical spinal canal morphometry in a group of normal subjects in Mosul province using MRI technique . *JABMS* 2012;13(4):8-16.

**11. Al- Allaf LIK** et al. Histochemical analysis of alkaline phosphatase in cholesterol stones -containing gallbladder . *Mosul medical journal* 2013 39(2):166-171.

**12. Al- Allaf LIK.** , Al-Ashou H., The effects of imatinib on the testicular histology in male rats administered at peripubertal period. *Journal of the Arab Board of Health Specializations* . 2014;15(1):24-34.

**13. Al- Allaf LIK.** , and Al-Ashou H, The histological changes of the rat liver after administration of imatinib mesylate: an-experimental study. *Iraqi journal of pharmacy*.2013. and in the proceedings of The 2<sup>nd</sup> Iraqi conference of pharmacy ,2013.

**14. Al- Allaf LIK.** , and Al-Ashou H ,Analysis of the Oxidative Stress Parameters in Testicular, Hepatic and Renal Tissues Homogenates of Albino Rats after Administration of Imatinib at Peripuberty Raf.J.Sci.,Vol.27,No.5/ Zoology/ Special Issue for the Third Scientific Conference of Biology,pp.26-33,2018—

**16. Al-Jammas EK, Al- Allaf LIK.** , Autism in Iraq: A Review of Literature .First Conference of Autism,2019.

**17. A Study of Contributions of Acquired Anatomical Abnormalities of Fallopian Tubes in Some Gynecological Disorders in Mosul Province/Iraq: A Single Center Study.** Fourth medical Conference of Ninevah College of medicine,2019.

**18. Al- Allaf LIK** .Preterm Birth: Histological and Some Histochemical Changes Of Placenta in Relation to Perinatal Outcomes. Mosul Conference,2013.

### **Current research work:**

1. *Al- Allaf LIK.* , Al-Ashou H., The histological changes of the rat kidneys after administration of low dose of imatinib mesylate: an-experimental study.
2. Al- Nuaimy W M T. *Al- Allaf LIK.* The expression of alkaline phosphatase in intratubular germ cell tumor: An immunohistochemical study.
3. *Al- Allaf LIK.* The role of caspase 3 in the clarification of the cardiotoxic effect of imatinib in rat.

### **Conferences and scientific activities:**

1. Teaching in the department of Anatomy in Mosul Medical College and in Nineveh Medical college.
2. The Sixth Scientific conference Proceedings / Nursing College /Mosul University .June, 2009 .
3. The 11<sup>th</sup> Scientific Conference of College of Medicine/Mosul/Iraq/2013 and the 3<sup>rd</sup> Scientific Conference of laparoscopy.
4. The Second Iraqi National Conference of Pharmacy/ College of Pharmacy /Mosul University /Iraq/2013.

- 5. The Third Scientific Conference of Biology, Mosul University ,November, 2018.**
- 6. The First Conference of Autism January,2019, Nineveh Medical college., University of Nineveh.**
- 7. The Forth Medical Conference of Nineveh Medical college., University of Nineveh.**
- 8. The First Conference of Natural ,Human and social Sciences.Istanbul,Turkey,2019.**
